

1947 - 1905 BC

Hammurabi sat on the throne
in Babylon. Babylonia was now
in advanced stage of civilization.
In 1947 BC Sumer was under
ELAMITE domination.

1947 → 1905 BC

Hammurabi, the 6th of the Babylonian Kings, challenged the Elamites to a month; subdued all Sumer and Akkad.

Shortly after his death, the unity of the old Babylonian Kingdom was broken.
